GRAY CASTLE

San Diego High School
San Diego, California

Dedication

BECAUSE this is his tenth year as chief administrator of San Diego High School; because during this time he has been an ever-ready adviser to teachers and students alike; because he has been our patient and understanding counselor during our short term as Senior A's, we, the June class of 1937, dedicate this volume to our friend, Principal John Aseltine.

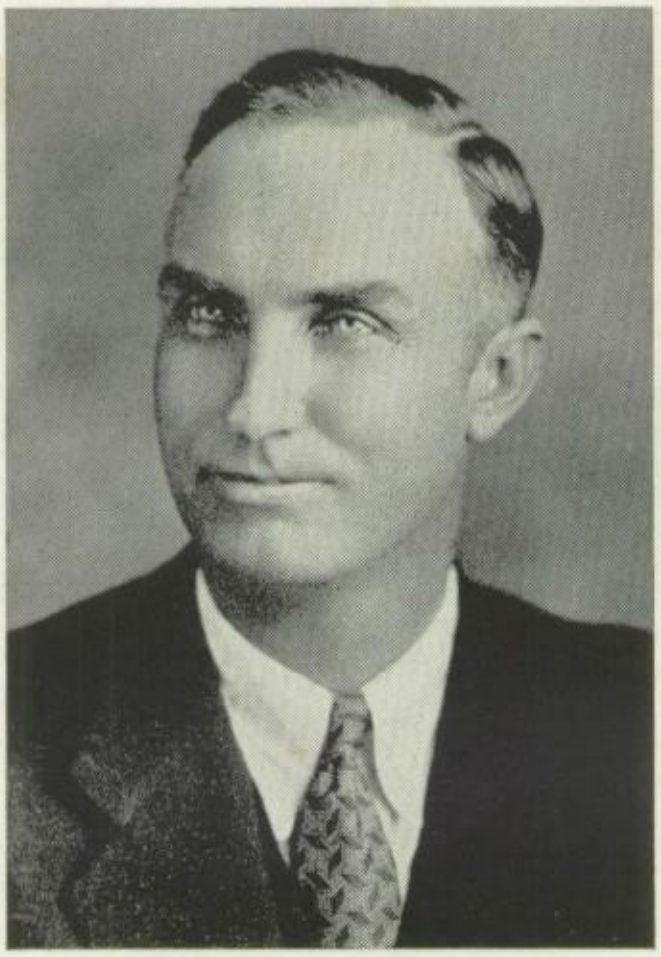
Foreword

SYMBOLIZING THE DEVELOPMENT of the City of San Diego, The Waterfront has been selected as the theme for the art work and cover of the 1937 Gray Castle. Serving as a setting for San Diego's two principal industries, fishing and aircraft manufacturing, as well as being the site for the construction of a Civic Center, The Waterfront, "one of the world's ten great harbors," is vitally connected with all phases of San Diego life.

To carry out the theme, all art work depicts scenes on The Waterfront. Carbon pencil sketches were drawn for the division and end pages by Toshiko Kojima, senior section; Lois Dempsey, organizations; Dorothy Dale, other classes; Betty Seneca, athletics; Hellene Crist, student life; and Frances Floyd, ex libris and finis.

The purpose of this yearbook is to record the events and activities which have occurred during the last year so that as members of the June 1937 class finger through these pages in a reminiscent mood, they may experience a thrill of joy.



John Aseltine

Principal

THIS blue-eyed executive keeps the cogs of the school machinery running in perfect time. He exercises a general supervision over student and faculty activities and serves as counselor for all Senior A's.

Elizabeth Freese

Girls' Vice-Principal

THIS kind, understanding lady's office is ever open to receive feminine Hillers and give them helpful advice. She serves as an inspiration for every girl at the Gray Castle.

Edward A. Taylor

Boys' Vice-Principal

THIS keen-witted adviser is a friend to every Caveman. Although his job demands that he be rather severe upon occasions, his sense of humor marks him as a favorite with all.

The Gray Castle

WHEN THE HILLTOP EXECUTIVE COMMITTEE suddenly decided this semester not to defray the cost for all sport pictures, The Gray Castle was placed in a serious financial predicament. It certainly could not pay for the pictures, and the A. S. B. treasury would not do so, due to low funds. Finally an agreement was reached whereby the school treasury agreed to pay for major sport pictures, but minor sports would have to pay for themselves. For that reason the golf and swimming teams were not included in the roster of pictures.

Student Life, a panorama of activity on the Hilltop campus, replaced the obsolete "Humor" section of other annuals. A candid camera snapshot contest aroused interest in this new feature. In addition to using the best entrants from the contest, Robert Turnbull, art teacher, was responsible for the snapshots taken in class rooms.

Despite various obstacles which arose at times, the staff managed to publish a large annual—the largest in several years.

The staff included: Arlene Learner, editor-in-chief; Lawrence Madalena, assistant editor; Norma Belle Lund, business manager; Hellene Crist, art editor; Pat D'Ave and Shirley Wilsie, organizations; Jeanne Rupp and Jeanne Quint, seniors; Herb Brown and James Moore, athletics; Milton Effron, student life; Helen Burke and Ruth Becker, typists.

San Diegans who are familiar with the waterfront have often seen men busily unloading numerous products from ships that come from foreign and domestic ports. Because of her natural landlocked harbor, San Diego offers an ideal port for shipping of all kinds.

Senior A Class History

"PROGRESS OF TOMORROW depends upon the accomplishments of today." This quotation from Fred B. Mitchell, author of "Up or Down," has been chosen as the motto to inspire the Senior A class.

September 14, 1934, saw the entrance to the Gray Castle of one of the largest and most enthusiastic Sophomore B classes in the history of the school. The following three years passed quickly and happily, and the class now has about 550 members.

Activities of the Senior A semester were led by President John Tanner, Vice-President Kenneth Hale, Secretary Alice Dye, Treasurer Dorothy Billings, and the cabinet which included: Charles Bourdon, Ditch Day; Mildred Grihalva, Senior A Ball; Betty Wetzell, Flowers; Arlene Learner, Editor of The Gray Castle; Norma Belle Lund, Business Manager of The Gray Castle; Herb Brown, Senior A Russ; Joyce Cunningham, Commencement; Jack Noel, Rings; Leo Volz, Skating Party; Marion Dahn, Announcements; Marion DeWitt, Gift Day; Madeline Gillis, Vespers; Ruth Lindley, Publicity; Dorris Henderson, Senior A Play; Elizabeth Mills, Mothers' Tea; Barbara Jean Adams, Sport Dance; James Moore, Motto; and Morris Kirshbaum, Class Song.

Every activity thus far has been well-supported. This was demonstrated by the fact that it was necessary for two skating parties to be held in order that those who were unable to obtain skates the first time might have a second opportunity. The Senior A Ball, yet to come, bids fair to be a success. Commencement will be a crowning climax to the memorable days spent within the portals of the Gray Castle.

Senior A Song

Hail to San Diego high,
To the fairest, squarest school we sing,
You have taught us how to try,
How to work, to think, so we may bring
Loyalty and brotherhood
Which through all the years may thrive,
Your June class of thirty-seven
Will ever for you strive.

Hail to our dear Castle Gray,
To the fortress that has been our guide,
Soon we will be on our way,
To achieve in life, success and pride,
Full of fun and full of joy,
Were our three short years with you,
We salute, you, San Diego,
Our White and Blue.

Senior A Play

"REMOTE CONTROL," a thrilling mystery melodrama in three acts, was given by the June '37 Senior A class May 13 and 14 in Russ auditorium. The play, written by Clyde North, Albert C. Nuller and Jack Nelson, has the novel background of a radio broadcasting station, WPH, located atop the Potter House in Chicago.

A murder takes place during a broadcasting feature from the station. Dr. Workman, a spiritualist, is mysteriously shot during his half hour on the air. His death is coupled with a series of bold robberies that have been terrorizing Chicago.

Lauralee Brewer and Walter Davison had the leading roles in "Remote Control." Others in the cast were: Lawrence Madalena, George Lombard, Hugh McMahon, Bob Page, Nelson Fry, Ed Yates, Jean Charroin, Jimmy Roed, John Tanner, Pete Beyerle, Joe Savage, Leo Volz, Elaine Van Dusen, Alice Newbery, Dorothy Billings, Charlotte Hamrick, Betty Wetzell, Frances Regner, and Marie-Louise Cone.

Credit for the success of the play is due to the untiring efforts of Alfred Alexander, director, and Dorris Henderson, play chairman.

Honor Roll

THE SCHOLARSHIP Honor Roll of the Class of June 18, 1937, has been compiled in the office of the high school. This record is based on the work of the five senior high school semesters. All students whose semesters grades of "A" (superior) number eleven or more are placed on the honor roll.

Students who enter with grades of "A" from other schools will have their "A's" accepted for the honor roll providing they make as good grades while in attendance at San Diego High School.

Senior B Class

"SMALL BUT MIGHTY."

This trite phrase fits this semester's Senior B Class well, for it is the smallest class at the Hilltop, yet it has some of the potential leaders of Gray Castle's political, journalistic, oratorical, scholastic, and social curricula.

Having no particular function as a group, the Senior B Class has as its chief claim the recognition of its individual members, a great many of whom are prominent in school circles. Second only to the present Senior A Class in representation in the Executive-Committee, the L-12's dominate most of the important positions on The Russ Staff, lead chiefly in debate, and have many outstanding members in the California Scholarship Federation.

When this class was in its Junior B term, it boasted of having four members in Quill and Scroll, international honorary society for high school journalists, which generally is not prone to introducing many lower classmen into its exclusive circle.

Prominent entertainers of the Hilltop are in this class. Some of them are: Sidney Fleischman, nation's youngest professional magician; Fleeta Marlie Walker, locally recognized adagio and tap dancer; and Merriem Crowe, ballet dancer, but better known at the Gray Castle as a performer of eccentric dances.

Class officers for this semester are: President Thomas Ludwig, author of Caveman's Diary and varsity debater; Vice-President Pat Barnes, who was junior class president when a Junior A; Secretary Elaine Richardson, president of Creative Writing Club; and Treasurer Charlotte Schindler, sister of the famous athlete, Ambrose Schindler.

Junior Class

IN FEBRUARY THE JUNIORS elected as their class officers for the spring semester, the following students: President, Barbara Bone; Vice-President, Jack Axelson; Secretary, Virginia Williams; and Treasurer, John Biewener. As Virginia transferred from San Diego during the summer, Ruth Moskowitz was selected as secretary for the remaining portion of the term.

On the invitation of the Junior Cabinet, Catherine Wueste served as Junior Activity Chairman. She directed the Junior Assembly which was presented in competition for the Assembly Cup. Harlene Bonham, Marian D'Ave, Betty Fay, and Ruth Moskowitz assisted on Catherine's committee.

John Biewener managed the Junior's part of the Popcorn Sale given by several classes.

The Junior Class was well represented in school activities this semester.

In the field of drama and public speaking, Cynthia Paswaters, Gloria Sanders, and George Lindsey were outstanding.

In the Hi-Jinx, Emma Baldelli, Martha Jane Van Natta, Thea Beth Rice, Margie Lou Kelly, Betty Miller, Omar Long, and Benny Fiddle stood out in their respective acts.

In athletics the Junior Cavemen retained their high standing. Among the lettermen were: John Biewener, Ricky Roth, Art O'Keefe, Earl Brown, Ed Becker, Hubert Stanford, Bob Crawford, Albert Olsen, Chet Kehn, Vidol Ortiz, and Pete Winther.

Junior Cavebabes aided the men in bringing home their share of the tennis laurels. Evelyn Hartwell, Marion Goodwin, Harper Ink, and Louis Terry were those who participated.

Mrs. Lillian Fitzpatrick assisted the cabinet as Junior Class sponsor.

Sophomore Class

ALTHOUGH COMPOSED of the youngest and newest members of the student body, the Sophomore Class has rapidly asserted its right to especial prominence in San Diego High School activities, having within its fold numerous active participants in Hilltop organizations. Sophomores have the largest representation in the California Scholarship Federation, the World Friendship Club, and on The Russ Staff. They also add materially to the number in the Glee Club and the Band.

Sponsored by Mrs. Marion Gilmore, history instructor, the class is the largest of the school, having almost 1200 members, many of whom deserve special recognition for their extra-curricular activities. Eva Louise Caldwell, sophomore B from Roosevelt Junior High School, was fourth place winner in the California State competition for championship in oratorical declamation, and copped second honors for original oratory in the county contest held at Grossmont High School. Redheaded Bob Montague, sophomore A, is director of his own orchestra, which has a contract with Frances Parker private school and has played for Hilltop noon dances and the A. S. B. Ball.

Heading the roster of class officers is Betty Jo Bailey, former Girls' League president and vice-president of the student body at Memorial Junior High School. Supporting the president are Vice-President Lois Hanson, feminine lead in the H-9 play at Roosevelt Junior High School; Ernest Alvarez, Russ staff member, as secretary; and Barbara Best, former assistant editor of the Roosevelt Junior High School Rough Rider and present member of The Russ Staff, as treasurer.

A vital part of the Port of San Diego is the United States Navy. During each year, approximately eighty vessels make their way into the harbor. San Diego well realizes that the Navy, besides swelling her population, is the main support of local business.

Associated Student Body

GUIDED BY PRESIDENT JOE FARES and the Executive-Committee, the Associated Student Body is now completing one of its most active semesters.

Three prominent improvements have been made at the Gray Castle. First, through the efforts of a committee, headed by A. S. B. Vice-President Frank Sherwood, the Hilltop now has its long-awaited identification sign, which is bronze with the letters "S.D.H.S." in old English type, two feet in height, above the legend, "San Diego High School."

Another change made was the abolishment of the Merit System. The new plan, presented by Joe Fares, calls for the giving of service points instead of merits for extra-curricular activities, and for the leaving of misbehaving students to the discretion of the Boys' and Girls' Vice-Principals. This plan was passed unanimously in the Executive-Committee.

The third major improvement was the adoption of a new method of voting. Nominations were made in the third period classes as before; but, the actual voting took place at ten different polls which were placed at various locations throughout the school. Each student was assigned alphabetically to one poll. Two things were accomplished by this plan,

Secretary

Adviser

which was perfected by Frank Sherwood. There was no "stuffing of ballot boxes" and only those students who were interested voted because the voting was done before and after school and during the lunch periods.

Two special assemblies for dues-book holders were presented during the semester. The first featured a magician and the second was an illustrated lecture on liquid air.

The first skating party sponsored by the A. S. B. was held April 20 and was followed on May 7 by Blue and White Day. On the latter occasion the dedication of the identification sign took place. Speakers at the ceremony were Mrs. Basil Woods, first student body president, in 1900; Will C. Crawford, Superintendent of San Diego City Schools; and John Aseltine, Principal at the Hilltop. Joe Fares acted as master of ceremonies. After the dedication the students went to the stadium to see a baseball game between the Senior A and faculty teams. A dance at the Cafe of the World concluded the day's festivities.

Last of the official A. S. B. activities were the semi-annual banquet and ball, both of which were held early in June.

Members of the Executive-Committee this semester were: Joe Fares, A. S. B. president; Frank Sherwood, vice-president; Tim Crocker, secretary; Marion Dahn, treasurer; Leonard Snider, ticket auditor; Mary Creswell, historian; commissioners: Lauralee Brewer, assembly; Pete Beyerle, activity; Lawrence Madalena, publicity; Bob Kelly, drama, debate and music; Mary McOsker, girls' athletics; Joe Savage, boys' athletics; Helen Schroder, Girls' League vice-president; Harold Peterson, Boys' Federation vice-president; Kenneth Hale, Senior A class vice-president; Pat Barnes, Senior B vice-president; Barbara Bone, Junior president; Betty Jo Bailey, Sophomore president, and Harry Painter, R. O. T. C. representative.

Girls' League

MANY MAJOR ACTIVITIES have filled the schedule of the Girls' League which has been headed by Margaret Ward this semester.

Outstanding among these were the free dance given for the Associated Student Body, a luncheon for executives of other Girls' Leagues throughout the city, the Hi-Jinx presented in conjunction with the Boys' Federation, and the "Fun Frolic," a new kind of party for sophomore girls in place of the usual "Big and Little Sister" Dance.

Through the efforts of the Welcome Committee, a new plan by which new girls were greeted individually was inaugurated. Each new incoming girl was personally interviewed by various upper grade League Members who were interested in different subjects and activities. In this way, strangers were soon made to feel at home because of their knowledge of the school routine.

Another new custom was adopted this semester—that of giving Girls' League pins to the four major officers. Last semester's executives were also presented with these emblems.

Girls' League Committees were headed by Dorothy Billings, social service; Helen Peacock, friendship; Fleeta Marlie Walker, program; Carol Remington, welcome; Louise Smith, publicity; and Mari Taniguchi, decoration. These chairmen met monthly with the Board of Control to discuss their current problems and achievements.

The officers of San Diego High School's Girls' League were: Margaret Ward, president; Helen Schroder, vice-president; Mildred Grihalva, secretary; Mari Taniguchi, treasurer; Elizabeth Mills, senior class representative; Barbara Bone, junior; Lois Hanson, sophomore; and Jane Minshall, G. Boys' Federation

ONCE MORE another successful semester in the life of the Boys' Federation at the Gray Castle has been completed.

This year San Diego High School's Cavemen, 1500 strong, were led through one of their most successful spring semesters by President Jerry Rudrauff. Assisted by Vice-President Harold Peterson, Secretary Bob Lynn, and Treasurer Louis Pritchard, Rudrauff put on several interesting assemblies and special events for the boys.

First important affair was a special assembly in which former Football Coach Hobbs Adams showed motion pictures of the 1936 Olympic Games and action shots of the U. S. C. grid squad. Accompanying Adams were Olympic Sprinter Foy Draper and Ambrose Schindler, former Hilltop football star.

The most important activity of the semester was the Combined Boys' and Girls' Hi-Jinx. This production, sponsored by the Federation and the Girls' League, was considered one of the best in years.

April 23, the masculine members of the student body enjoyed an interesting talk on aviation in Russ Auditorium by Lieutenant Commander Ernie Chourre of the Consolidated Aircraft Corporation.

Winners of events of the Annual Boys' Decathlon, held each spring in the gym classes, were awarded ribbons and cups before a special meeting of the Federation. Also given out were class numerals and awards in basketball, baseball and track.

The Boys' Federation at the Gray Castle corresponds favorably with the Girls' League, their purposes being mutual: to promote finer friendships, greater loyalty and high ideals among the students.

California Scholarship Federation

CREDITED WITH BEING one of the outstanding units of the California Scholarship Federation, the Hilltop chapter of the state-wide society boasted of approximately 300 members during the school year.

Membership in the C. S. F. is available to students maintaining a certain scholastic standard. Ten points are required for admission to the organization; at least eight of which must be in scholarship, not more than two being allowed for extra-curricular activities. An "A" in a solid merits three points; a "B," one point; an "F" in any subject is a disqualification.

Students who have been in the honor society four times, one of these being in the senior year, are presented with gold pins at the scholastic award assembly. It is thus possible for Hillers to receive their pins at the end of either their senior B or senior A semester. With the pin, C. S. F.'ers also acquire a certificate of life membership and a gold seal on their diploma at graduation.

Activities for this semester included two skating parties, a County Convention at Point Loma High School, a Southern Region Convention at Canoga Park Union High School, near Los Angeles, an annual spring city banquet, and a Ditch Day celebration.

Continuing a plan innovated in the fall, upper class members acquainted sophomore honor students with Hilltop departments and organizations by conducting a series of personal tours about the campus.

Under the guiding hand of Mrs. Olga Hamman, faculty adviser, a dozen officers directed the chapter activities during the year. Administrators for the fall term were Herb Brown, president; Shirley Wilsie, vice-president; Margaret Holland, secretary; Ruth Lindley, treasurer; Marion Dahn, activity commissioner; and Thomas Ludwig, publicity commissioner. Student executives for the spring semester were Herb Brown, president; Margaret Holland, vice-president; Jeanne Rupp, secretary; Mary Creswell, treasurer; Tom Ludwig, activity commissioner; and Arlene Learner, publicity commissioner.

Orchestra

THE SAN DIEGO HIGH SCHOOL Orchestra, conducted by Nino Marcelli, has been presented for the last fourteen years to the public in concert. This professional practice prepares the more serious students for orchestral work, brings added honor to the school, and the money, in part, derived from concert-goers, aids worthy pupils who are unable to finance their higher education in music.

Orchestra members anticipate concert time with half eagerness, half anxiety. Their greatest responsibility, previous to their appearance, is the selling of concert tickets, prizes being given to those selling the most. Their second duty is that of attending night rehearsals twice weekly before concert time.

Being a member of the orchestra does not mean all work, however. In the spring, Senior A's are impressed with the duty of planning a dinner and dance, the annual celebration of all school organizations.

This semester Maestro Marcelli arranged an all-Russian program, including Tchaikowsky's "Fifth Symphony," "Concert Waltz," by Glazounow, Weber's "Oberon Overture," and Saint-Saens' "Cello Concerto," with orchestral accompaniment. Senior A Morris Kirshbaum, who has been studying cello for eleven years, played the solo.

Concertmistress was Martha Doyle with Betty Jones acting as her assistant. Second violin principal was Lupe Morante and her assistant, Edith Bermudes. Other principals were Margert Ward, violas; Virginia Snelling, basses; Bill De Reimer, flutes; Dan Magnusson, clarinets, teatured in solo passages of the "Symphony;" Floyd Grant, oboes; Bob Newsom, trumpets; Walter Simpson, trombones; Harold Rand, tubas; Dick Powers, French horns; Benny White, tympanni; and Jean Abendroth, pianos.

EVER A BUSY ADVERTISING UNIT on the campus, The Russ this semester maintained its high standing as a high school journalistic weekly.

Under the guidance of Miss Margaret Verl Freyburger, member of the editorial staff of the International Quill and Scroll, the Gray Castle newspaper was awarded first place in the Columbia Scholastic Press Association competition and All-American rating by the National Scholastic Press Association. The winning journals were edited by Al Frost and managed by Ed Weight.

Three special editions put out the second semester were an April Fool's issue called The Puss, a Boys' edition and a Girls' edition.

Editors of The Russ this semester were: Eddie Self, editor; Shirley Wilsie, assistant editor; Dorothy McCloskey, news editor; Herb Brown, sports editor; Hellene Crist, literary editor; Margaret Jean Widders, society editor; Ed Weight was business manager; Mertabell Medaris, circulation manager; and Alan Colt, exchange editor.

Quill and Scroll

PORTERFIELD CHAPTER of Quill and Scroll, international honorary society for high school journalists, met every other week last semester at the home of a member or an alumna for a dinner and business meeting. Alumnae who entertained were Miss Margaret Hildreth, Miss Mabel Grant, and Miss Pat Dennstedt.

Included on the list of social events were the County Banquet, where the Hilltop group had charge of the initiation, and a Beach Party at Principal John Aseltine's cottage at Del Mar.

In individual awards from national contests, members of Quill and Scroll this spring received the largest number in the history of the organization.

Eddie Self was declared champion news writer in the nation in the contest conducted by Scholastic Magazine and Quill and Scroll, and for his reward received a portable typewriter. Quirk Kline, in the same contest, received two checks of five dollars each, for being third place winner in feature writing and interviewing. Frank Sherwood was named California winner in news writing and Arlene Learner was California winner in editorial writing.

Boys' Quartet

LEADING ACTIVE GROUPS in the Gray Castle music center was the Boys' Quartet, led by W. F. Reyer, acting music head, and accompanied by Mrs. Reyer, who arranges the musical scores. Members of the group for the spring semester were John Bleifuss, first tenor; George Lindsey, second tenor; John Lanier, baritone; and Frankline Crumrine, bass. Bleifuss and Lindsey replaced Flammarion Barbachano, who moved to Berkeley, and Fred Allen, who was graduated.

The boys sang nearly every week either for school activities or for social affairs outside of school. They were engaged by prominent clubs such as the Rotary, Kiwanis, and Ad, by leading social clubs and churches, and by civic organizations, as the Y.M.C.A. They assisted the school with the Christmas music, Easter, and Hi-Jinx. Often they were called upon to sing extemporaneously. Mr. Reyer included in their repertoire music ranging from popular to classic.

The Boys' Quartet is always prepared and willing to represent the Hilltop, according to Mr. Reyer.

San Diego Hi-Y

"CREATE, MAINTAIN, and extend throughout the school and community high standards of Christian character."

With this motto as their guide and under the gavel of President Jerry Rudrauff, San Diego Senior Hi-Y completed another semester of successful activities. Chief affair was the first annual "Good-will" Dinner of the Hi-Y and Girl Reserves. The dinner was held April 20 at the Y.W.C.A.

Always important on the Hi-Y calendar is the Induction Dinner. The event was held at Vincent's this semester.

For the first time in its history, the club decided that henceforth rings would be given its past presidents.

Hi-Y'ers had a gavel made, mainly through the efforts of Gavel Chairman John Tanner and his committeemen, Jack Noel and John Bleifuss. At present, officers are working on plans for decorating the Hi-Y room which has been given them at the Y.M.C.A.

Officers for the semester were Jerry Rudrauff, president; Herb Brown, vice-president; Harold Peterson, secretary; and Guy Showley, treasurer. Coach Frank Crosby was faculty sponsor.

From left to right, the left branch of the "Y": Watkins, Dennstedt, Olmstead, Evans, Benner, Butler, Rossi, Crocker, Schelling, Peters.
From top to bottom, the lower part: Biewener, Pritchard, Mateus, Fellows, Loperena.
From left to right, the right branch reads: Prince, Goode, Kelly, Crawford, Jackson, Nielsen, Gibbs, Crossley, Cash.

Gray Castle Hi-Y

ORGANIZED IN THE FALL OF 1935 by a small group of Sophomore B's the Gray Castle Hi-Y has since grown into one of the outstanding and progressive clubs in San Diego High School. The membership is now almost twenty-five boys.

Led this semester by President J. D. Peters and last semester by Tim Crocker the group has completed a most successful year.

Its first big event of the present semester was a Skating Party at Mission Beach rink. Net proceeds from the party totaled forty dollars, of which twenty-five per cent was given the Red Cross for flood relief.

Another affair was the joint banquet with the San Diego, Hoover, and Point Loma Hi-Y's held at the Park Boulevard Methodist Church.

During the Christmas holidays, two of the members, Tim Crocker and John Biewener, went to Pomona College to represent the club at the annual Olders Boys' Conference.

Assisting Peters in managing the club were Julia Loperena, vice-president; John Biewener, secretary; and Tom Schelling, treasurer.

First row: Pat Keating, Evelyn Smith, Elizabeth Mills, Marian D'Ave, Betty Lou Henderson, Ruth Boucher, Lois Hanson.
Second row: Madeline Gillis, Rhuebelle Bramham, Pat D'Ave, Mary Louise Thompson, Ruth St. Clair, Evalynn Dowd, Clara McKinney, Lukena Patella.
Absentee: Carol Remington.

Girl Reserves

GUIDED BY PRESIDENT PAT KEATING and Girl Reserve Secretary Miss Genevieve Herbert, this semester's members of the Girl Reserves developed deeper understanding and appreciation of the ideals of their organization.

The purpose of the club being to "create and maintain Christian standards socially and morally throughout the high school," the girls have aimed to aid others in developing finer character traits.

Principally, this has been done by candlelight ceremonies, inspirationals, panel discussions and poetry hours—all of which were intermingled with social activities.

Leading the members of the club were Pat Keating, president; Mary Louise Thompson, vice-president; Madeline Gillis, secretary; Elizabeth Mills, treasurer; Rhuebelle Bramham, program chairman; Carol Remington, social chairman; Clara McKinney, activity chairman; Betty Lou Henderson, service; Marian D'Ave, publicity; Lukena Patella, music chairman; Pat D'Ave, reporter; Ruth St. Clair, accompanist; Evalynn Dowd, senior triangle president; Ruth Boucher, junior triangle president; and Lois Hanson, sophomore president.

First row: Holtzman, Umansky, Dikome.
Second row: Johnson, Demetre, Knouse, Winke, Chambers, Dahn, Starrett, Folcke, Fife, Henderson, Lehrer, Scramaglia, Babet, Hulse, Adams, Faulk, Patton, Ghio.
Third row: Fickeisen, Peterson, McNiff, Coleman, Bent, Howe, Setzer, Manning, Moskowitz, Dominy. Montgomery, Nolen, Miss Perkins, Lombard, Dill, Moore, Madalena,
Absentees: Paswaters, Van Wye.

Dramatic Club

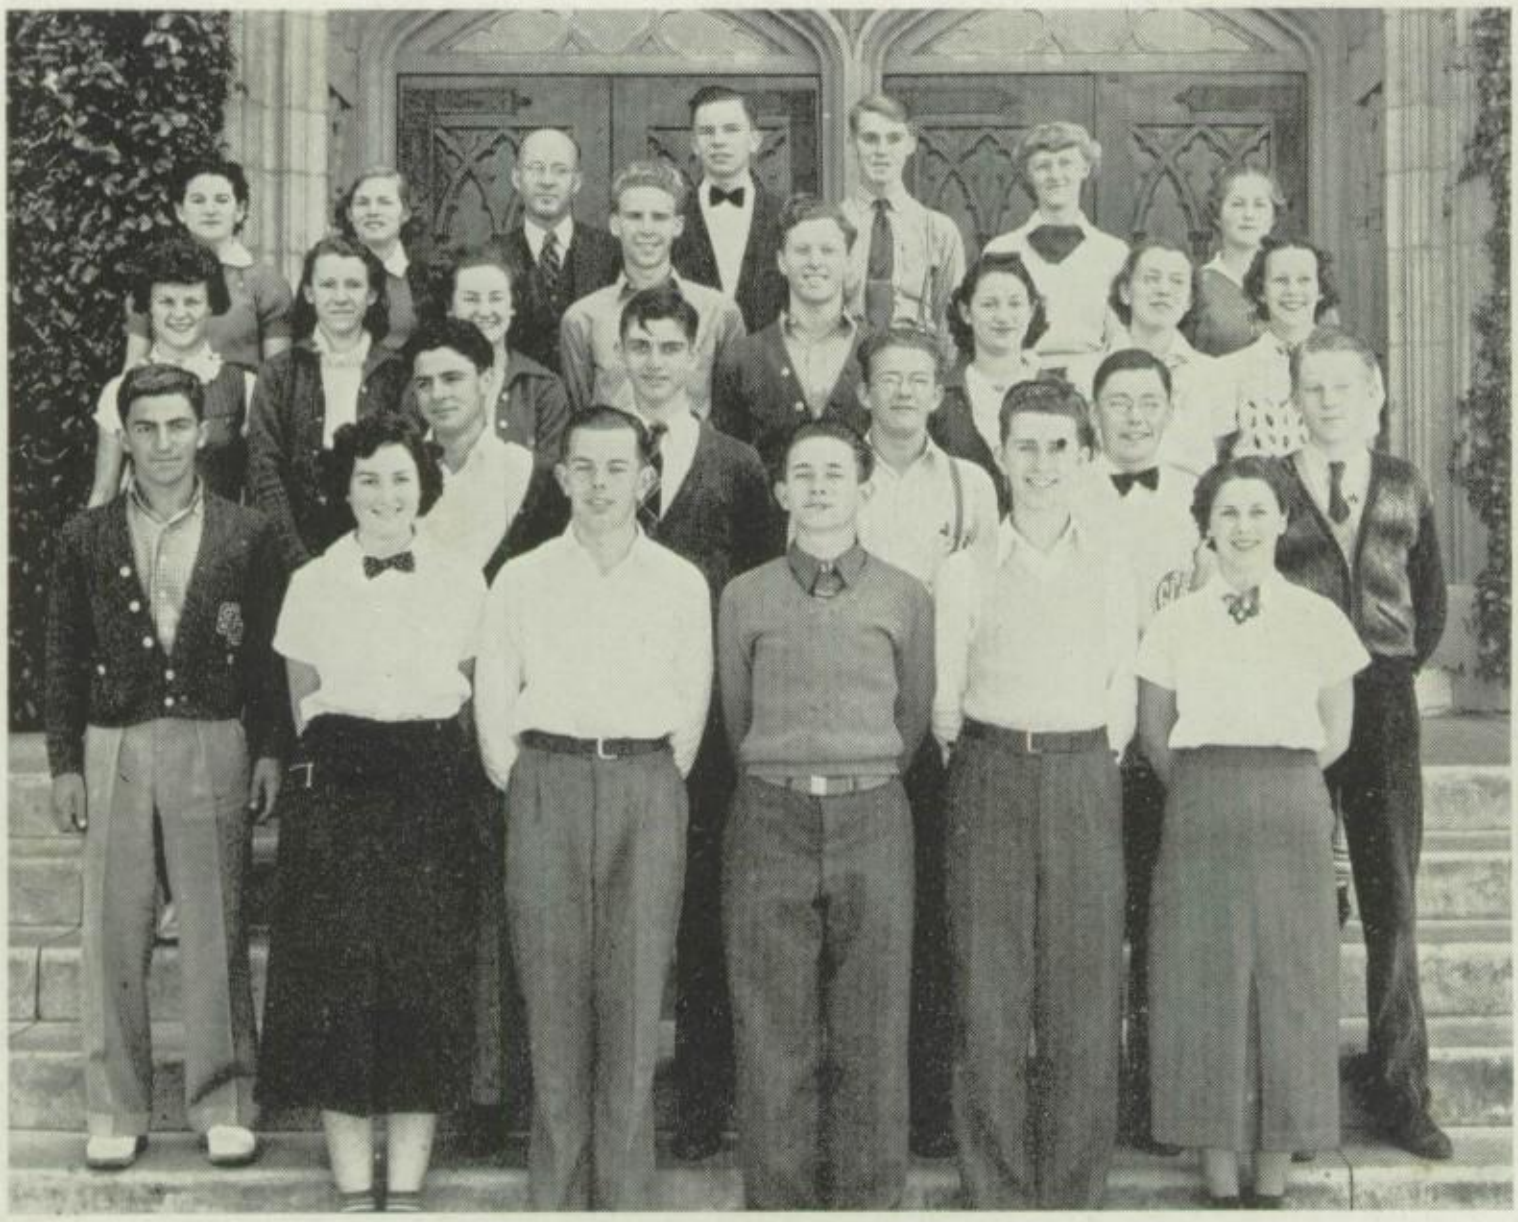
SAN DIEGO HIGH SCHOOL Dramatic Club has, in the last thirty-three years, gone forward in accomplishment, with a stride equal to that of the proverbial "Seven League Boots."

Miss Harriet Godfrey organized the club in 1903 and during the intervening years it has steadily progressed in both talent and production.

Dramatic Club has, during its existence, been recognized by world wide publications, the outstanding one being the Drama Magazine, following the performance, in 1928, of "Gods of the Mountain" before the Drama League, then in session in San Diego.

The present club gives one large production each semester, which is selected and directed by Miss Lois Perkins, dramatic teacher. The feature play this semester was James M. Barrie's "Quality Street," starring Cynthia Paswaters and Jack Nolen.

Officers of the club this semester were: Jack Nolen, president; Jane Ellen Van Wye, vice-president; Gloria Winke, secretary; and Doris Henderson, treasurer.



First row: Clare, Ohlson, Harnetty, Effron, Phillips.
Second row: Christoudolou, DeMangus, Bates, Westover, Herkelrath, Renshaw.
Third row: Kaiser, Creed, Moore, Lynn, Berger, Valenta, Sebek, French.
Fourth row: Cruse, Kelly, Mr. House, Lindsey, Farmer, Mrs. Eves, Stork.
Absentees: Torgerson, Beckham, Z. Mayer.

Camera Club

TO AFFORD PRACTICAL EXPERIENCE in the art of taking, developing, and printing pictures is the purpose of the Students' Camera Club.

Main feature of the spring program was the annual salon contest. Prizes for the best pictures were given by several photographic concerns, the exhibit having been displayed in downtown store windows and high schools and colleges throughout Southern California.

Another project of the Camera Club was the "Picture of the Week," a photograph chosen each week from those submitted by members. "Candid Camera" shots of the faculty and students were featured.

Officers for the boys were: Milton Effron, president; George Harnetty, vice-president; and Merle Olson, secretary-treasurer; with Mr. J. H. House as sponsor and director.

Officers for the girls were: Zella Mayer, president; Marjorie Phillips, vice-president; and Barbara Clare, secretary-treasurer; with Mrs. Harriet Eves, sponsor.

Gens de Guerre

GENS DE GUERRE, the officers' association of the Reserve Officers' Training Corps, was organized for the dual purpose of representing the R. O. T. C. and supervising the social affairs of the unit. It is from this organization that the Executive-Committee representative is appointed. The representative this semester was Major Harry Painter.

The Military Ball this year far surpassed any which has been given in the past. Since this June is the last which Major H. P. Kayser will spend with the R. O. T. C., no pains were spared to make this Farewell Ball a memorable affair.

Prior to the ball, a Skating Party was held. The monthly maneuvers, for which the unit is nationally famed, and the banquet preceding the ball were important events on the calendar of the Gens de Guerre.

Officers of the club for this semester were: Lt. Col. Pitts, honorary president; Major Painter, president; Major Parker, vice-president; Lt. Graves, secretary; and Lt. Yates, treasurer.

Gray Castle Musicale

THE GRAY CASTLE MUSICALE is an organization created for the purpose of giving talented Hilltop musicians opportunities to perform before an audience and to develop appreciation of good music.

Major activity of the school year was the club's participation in National Music Week. An invitational assembly, featuring the best performers of the group, was held on May 5. Members also sponsored a bulletin board exhibit consisting of representative work from notebooks made in appreciation of music, harmony, and history of music classes, including several original compositions.

Officers this spring were: Lottie Brown, president; Richard Powers, vice-president; Martha Doyle, secretary-treasurer; and Morris Kirshbaum, program chairman. Mrs. Katherine Andrews, music instructor, sponsored the group. Although students of the music department make up the greatest part of the membership, any Hiller interested, may join.

The Musicale was founded some time before 1915. The club has grown rapidly during the past few years and now consists of fifty members.

Seinen Kai

AS THEIR FIRST AFFAIR of the semester, the Hilltop Seinen-Kai, an organization for the Japanese students in San Diego High School, gave an Installation-Welcome party in the Little Theatre. At this event the guest "peagreens" and the new cabinet consisting of Iwao Ishino, president; Tamiko Matsumoto, vice-president; Saburo Yamamoto, recording secretary; Yoshiyasu Morishita, corresponding secretary; Ruth Ito, treasurer; and Jimmy Suzuki, reporter, were introduced.

April 9, the Seineners journeyed out to Loma Portal to the home of their sponsor, Mrs. Edna Gillespie, where a social was held.

As an act on the semi-annual Hi-Jinx, twelve girls, dressed in brightly woven kimonos, presented a Japanese fan dance.

One hundred and fifteen teachers of San Diego high school were invited to the annual Faculty Tea which was held May 14.

Concluding their social activities for this term, the organization held a Homecoming Ball for former members June 14, at Cramer's hall.

Graphic Arts

UNDER THE SPONSORSHIP of James E. Hutchison, print shop instructor, the Graphic Arts Club has helped San Diego High School in many ways. Members spend most of their time printing The Russ, and tickets, posters, dodgers, and miscellaneous forms for various school functions.

Thomas Salmon, senior A, is president of the Club, Paul Cheesman, junior A, is vice-president; and Dorris Henderson, Senior A, is secretary-treasurer.

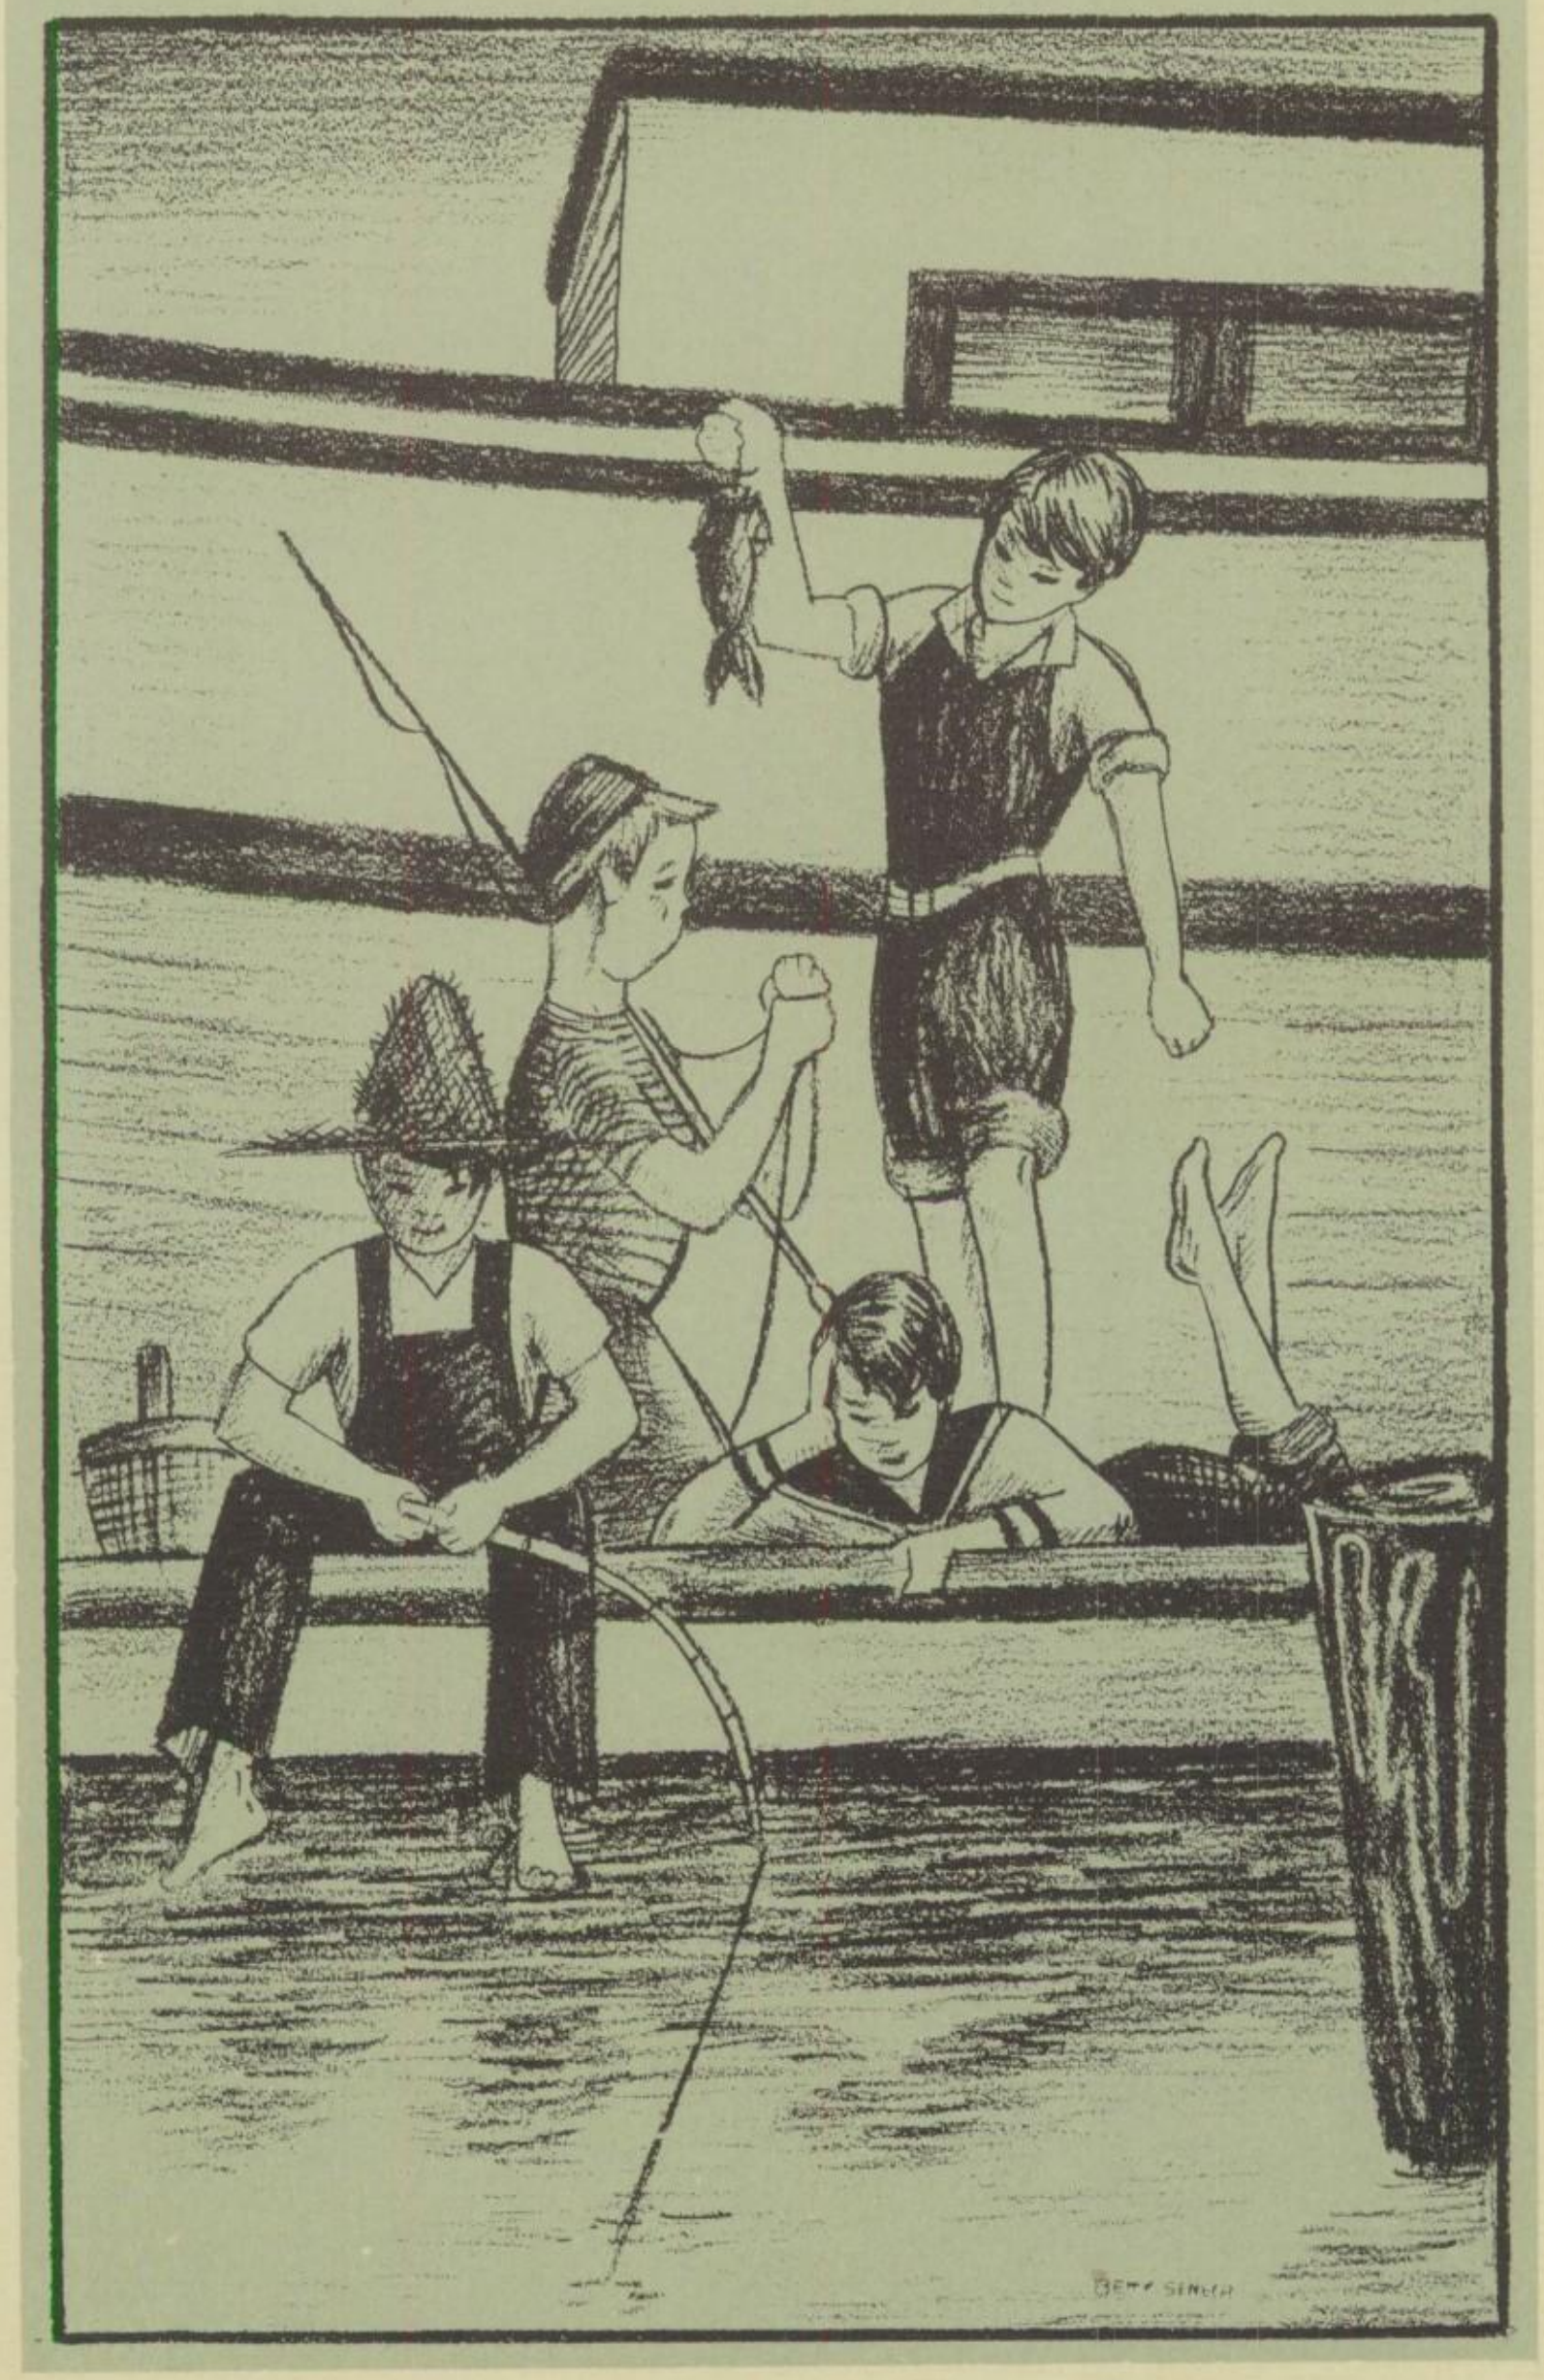
The local chapter is affiliated with the National Student Graphic Arts Society. It receives from Washington, D. C., samples of work done in print shops of other schools in the United States.

The only qualification necessary to become a member of the Graphic Arts Club is that a student must be enrolled in the San Diego High School print shop. Dues are ten cents a semester.

The student printers sponsored the first San Diego High School student dance held at Ratliff's. They held a Skating Party May 18 and closed the year's activities by holding a party for members exclusively.

Athletics

Sport fishing has not only become a favorite pastime in San Diego but has developed into a thriving industry. During the season from April, when the first runs of yellowtail appear, until October, some 50,000 anglers enjoy this sport.



Left to right: Coaches, Ted Wilson, Dewey Morrow, Charles Church, Glenn Broderick, Ed Ruffa, Frank Crosby, Wm. Schutte.

Coaches

THAT SAN DIEGO'S roster of coaches is remarkably well-rounded was indicated during the 1936-1937 school year when nearly every mentor came through with a winner.

Coach Mike Morrow, head of the athletic department, guided his baseball squad to the Southern California championship. His boys also did a nice job in the Pomona 20-30 tourney, winning runner-up positon, for which effort a trophy came to the Gray Castle.

Grid Mentor Glenn Broderick just missed piloting his eleven into the top spot, taking second position in the league, behind Long Beach Poly. Pilot Broderick's track and field outfit did not fare so well, winding up in third place in the circuit wars.

Ed Ruffa's basketball quintet went far, winning the league pennant by triumphing in a playoff. The casabamen had the Southern California title almost within their grasp when a plucky band from Tustin changed their plans.

Mentor Frank Crosby's wrestling team turned in the best effort of all, nabbing the Southern California gonfalon at Whittier.

Left to right, first row: Coach Broderick, Volz, Brown, McColl, Starr.
Second Row: Becker, Sohn, Rudrauff, Davis, McVay.
Third Row: Jacobs, Lopez, Yamamoto, Stock, Wright, Loo, Meyer, Darrieulot.
Fourth Row: Coach Morrow, Bouton, Barnes, Muns, Ward.

Football

PICKED TO FINISH near the bottom of the Coast loop, San Diego's football squad came from behind to nab, theoretically speaking, the Southern California Championship last season.

This peculiar situation was brought about when Long Beach Poly, over whom the Cavemen held a 7 to 2 shellacking, went on to garner the S. C. I. F. title. The Jackrabbits nosed out San Diego for the Coast Circuit Crown, by virtue of a cleaner league record.

The Hiller record received its most disastrous setback when Alhambra's lowly Moors upset the local eleven, then a bit cocky, by a 14-7 count. Further damage was done to the San Diegans' chances when Long Beach Wilson deadlocked with them, 6 to 6. Poly, with only the loss to the Cavemen on the debit side of its ledger, squeezed into the championship.

Outside of the defeat of Poly, San Diego's greatest conquest was coming from behind to maul Herbert Hoover, 19 to 7, before a huge Homecoming throng. Another convincing triumph was the 27-0 battering of Phoenix.

Left to right, first row: Tanner, Fry, Cox, Perrotti.
Second Row: Mena, Schwartz, Rivas, Savage, Robbins, Manager Thom, Manager Robbins.
Third Row: Volz, Gatewood, Wyman, Crossley, Manager Kerr, Coach Wilson.
Fourth Row: Bridgman, Beyerle.

Among the ace grid performers of the June '37 class are the following:

Joe Savage, who joined the ranks of San Diego's great spark-plugging quarterbacks, which include such famous names as Cotton Warburton and Ambrose Schindler. Joe's stellar efforts received such wide acclaim that he was awarded the ultimate honor—the post of quarterback on the All-Coast Loop eleven. During the current semester Joe has whiled away the hours of the off-season by filling the position of Athletic Commissioner.

Sal Mena, who transferred from El Paso to aid local grid activities no end by acting as official pass-snagger. Sal was one of the steadiest players on the squad, finishing second only to Doug Schwartz in quarters played.

Captain C. P. McVay, who was lost to the squad during the season as he passed the Coast League age limit.

Jerry Rudrauff, who revolutionized the condition of that worthy individual, the bench-warmer, by inventing a collapsible, non-sinkable pneumatic bench cushion. In between inventions, Jerry filled the role of one of the most valuable substitutes on Coach Glenn Broderick's eleven.

Left to right, first row: Armstrong, Bourdon, Martinez, Roberts, Falconer, Cesena.
Second Row: Moore, Becker, Brink, Peabody, Loftus, Hale, Dill, Mateus.
Third Row: Coach Ruffa, Long, Franklin, Rudrauff, Gatewood.

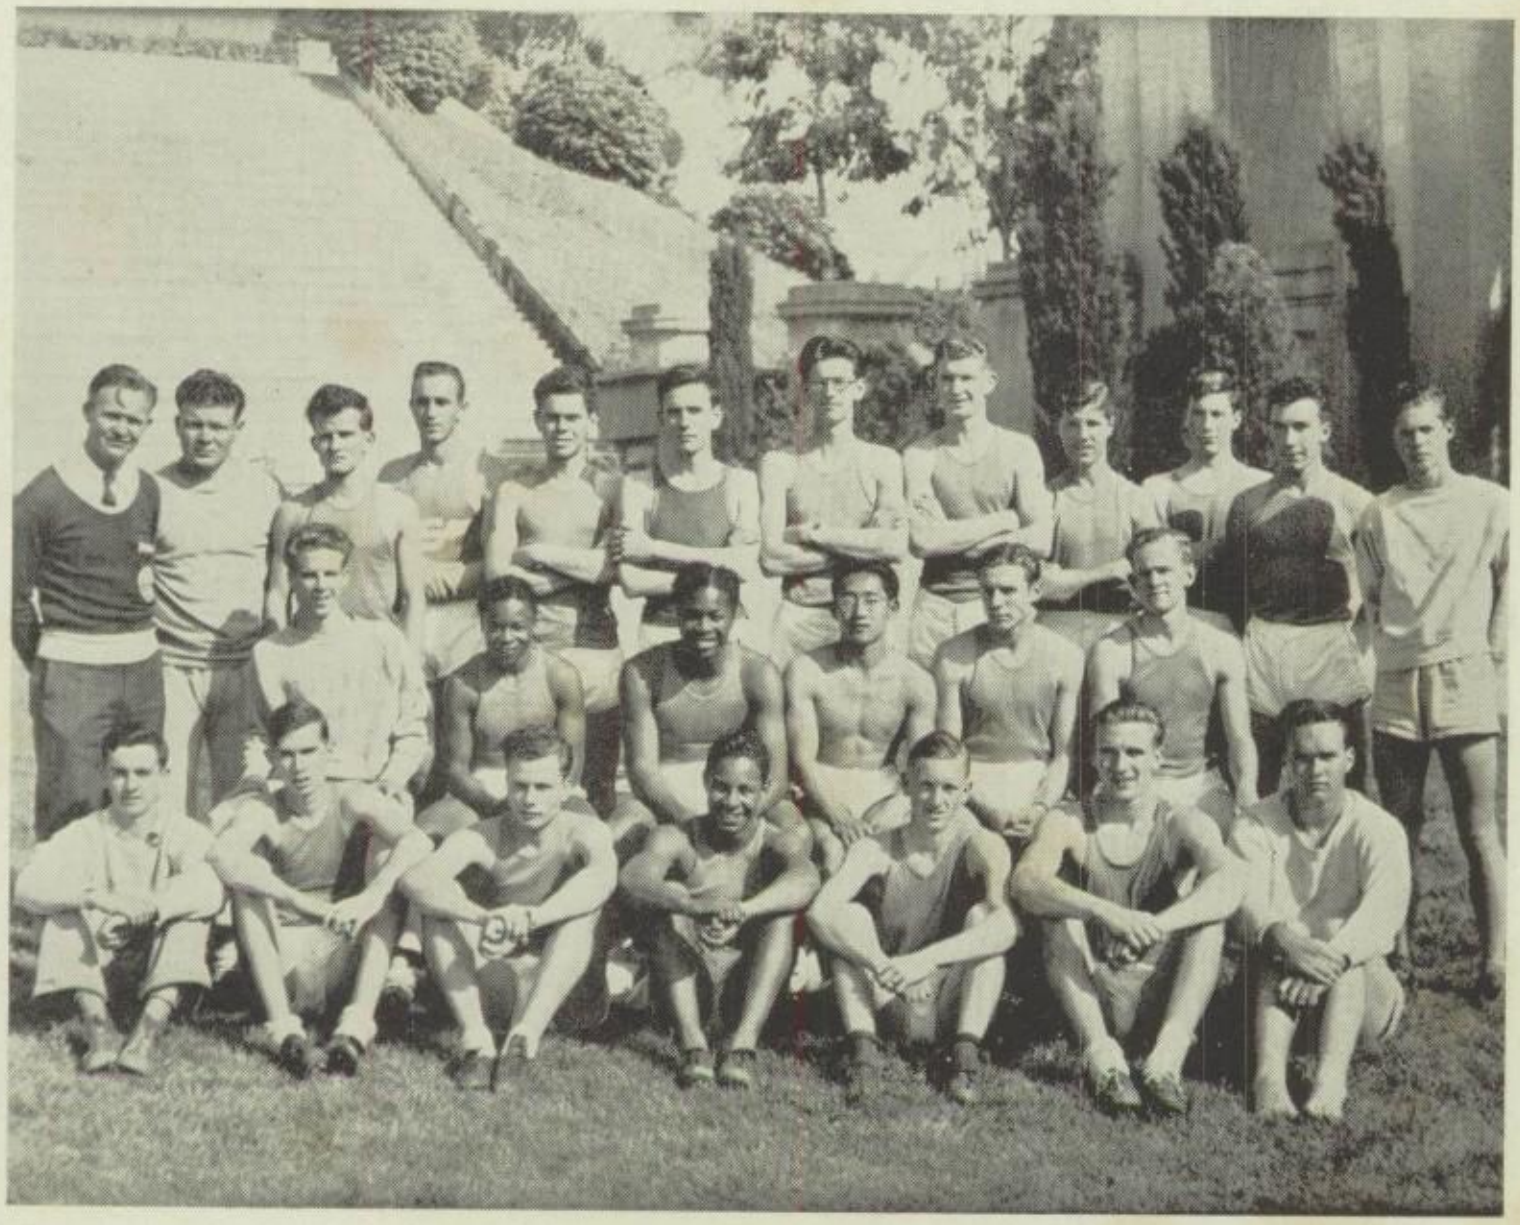
Basketball

STARTING A SEASON which saw them climb to heights only once before surpassed, the Caveman basketball squad nabbed the County tournament crown last December, and then went on to tie for the Coast League championship.

In the initial loop tilt, Santa Ana was tripped, 37 to 16. Then San Diego dropped one to Alhambra, 15 to 33. After their defeat by the Moors, the Hillers overcame the rest of their opponents with little difficulty, beating Herbert Hoover, 27 to 16; Long Beach Woodrow Wilson, 32 to 24; Long Beach Poly, 25 to 18.

A playoff was arranged for the three deadlocked teams—Alhambra, Poly, and San Diego. The Cavemen won both matches, beating Alhambra, 37 to 21, and Poly, 22 to 21; thus earning the right to enter the Southern California playoffs.

Their first game in the playoffs was against Point Loma, but due to lack of players, the Pointers defaulted, giving the tilt to San Diego. Playing Brawley next the Cavemen romped to victory, 40 to 16. The San Diegans met their downfall in the semi-finals, losing to Tustin, the new Southern California champs, 30 to 34.



First row: Mannion (Mgr.), Logan, Oderbolz, Manley, O'Keefe, Rudrauff, Dixon.
Second row: Lynn, Bell, Gatewood, Suzukie, Porter, Wentworth.
Third row: Coach Glenn Broderick, Becker, Gianola, B. Vogt, Kirshbaum, Pritchard, Biewener, Bleifuss, Cornett, Roth, Boyle, Snider.

Track

THAT THE GRAY CASTLE'S track and field aggregation was third best in the Coast loop this season was demonstrated on two occasions—the announcement of final circuit standings and the results of the all-league finals at Long Beach, each of which ranked the locals in third spot. In each case the San Diegans were beaten to the wire by Alhambra and Woodrow Wilson.

In dual meets, the local tracksters probably turned in their best effort in swamping Long Beach Poly. The Hillers also won over Hoover and Santa Ana.

Prominent among individual performers this season was "Red" Becker. Red cracked the school shot-put record with a 53-foot, 1¾-inch effort. By heaving the shot and discus, he amassed the largest total of points in dual competition of any member of the squad.

For variety, Jerry Rudrauff, the squad's captain, probably led the field. Jerry competed in three events—the shot, discus, and broad jump. He also turned in his share of points, finishing second only to Becker in digits scored. Louis Pritchard, miler, received a gold track shoe for placing fifth at the Southern California finals.

Lying: Kehn, Sharp.
First row: Thurman, Lanier, Kerr, Martinez, Scudder, G. Angeles.
Second row: Coach D. J. Morrow, Hernandez, Billings, Henion, Curtis, Ortiz, Swift (Mgr.).
Third row: Ritter (Mgr.), T. Angeles, Gaughn (Mgr.), Olsen, Filippi, Skelley, Myers.

Baseball

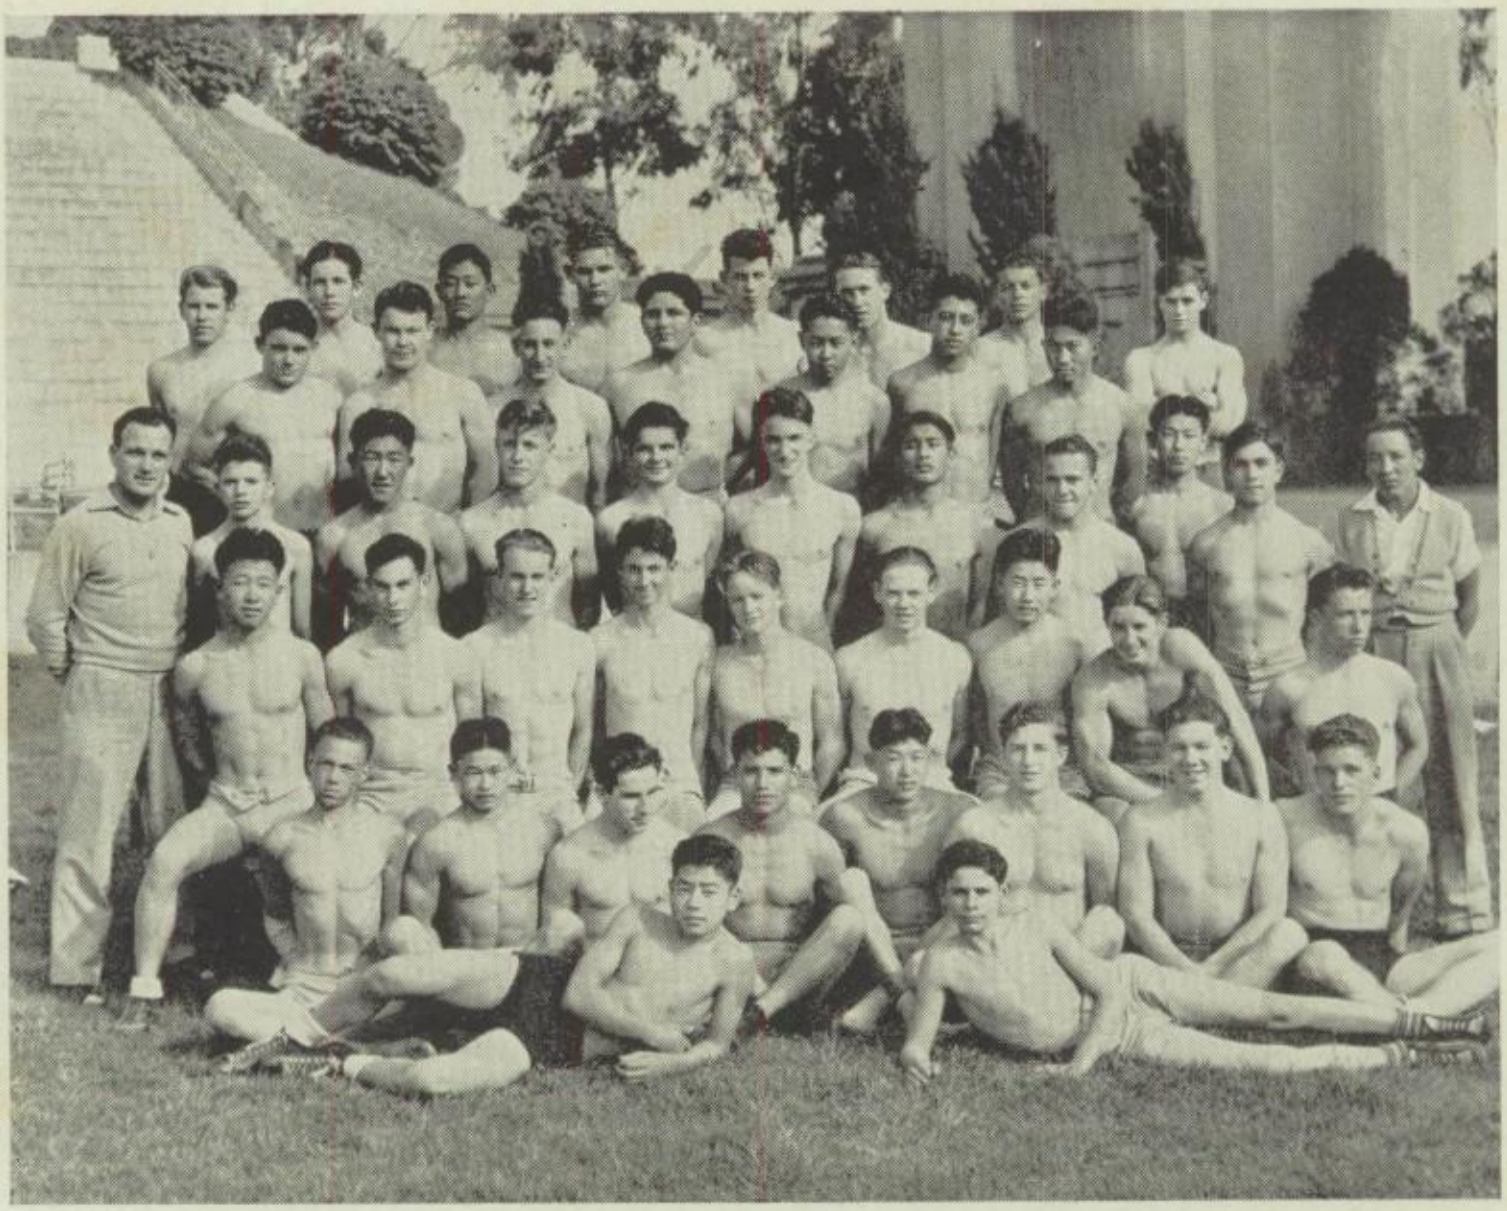
THE CASTLE BASEBALL SQUAD won a majority of their practice games and finished with the Southern California Championship.

Starting their loop wars by beating Santa Ana 7 to 2, the Cavemen next whipped Alhambra, 6 to 5. After splitting a two game series with State College, San Diego lengthened its league winning streak by beating Herbert Hoover High, 4 to 3, in a thrill-packed, loosely-played encounter at Lane Field.

The Hillers then battled Saint Augustine, which hoped for a chance at the city championship. The locals won again, 2 to 1. The Cavemen ended their winning streak by dropping a tilt, 8 to 1, to Long Beach Wilson.

Playing host to the other Long Beach team, the one that hails from Poly, the San Diegans had a chance to revenge themselves for the loss at the hands of the city brothers of Poly. San Diego took advantage of this opportunity and beat the Jackrabbits, 9 to 3, gaining a tie for the circuit championship.

In the final match to decide who would represent the Coast League in the S. C. I. F. playoffs, Hilltop diamondeers downed Wilson, 8 to 3.



Lying: Kuratomi, Tarantino.
First row: Madamba, B. Iwata, J. Crivello, Negrete, Yamasaki (Capt.), Winther, Barnes, Ward.
Second row: M. Tsuida, Burnett, Kops, Gibbs, Coppedge, Wahl, Morishita, Porter, Cota.
Third row: Coach Crosby, Brown, Shimamoto, Randall, Kittredge, Reed, Alfred, Carlisle, German, Arata, Balistreri, Delpozo (Mgr.).
Fourth row: La Lanne, H. Fellows, Maio, Amador, Matsumato, Martinez, Nakamura.
Fifth row: Furry, Evans, Nakamoto, Dahms, Skimin, Winther, Cazessus, Zimmerman.

Wrestling

THE HILLTOP WRESTLERS started a campaign which saw them nab the Southern California championship this year, with an intramural tournament, which a total of 84 boys entered.

First outside wrestling match came on February 5, when 38 boys from the Hilltop entered the Y. M. C. A. novice meet, an elimination tournament. Following this, the Hillers participated in the San Diego County A. A. U. tourney, held at the Army and Navy Y. M. C. A. The local outfit again came through, copping the team crown. This triumph gave the trophy to San Diego High for the sixth time in as many years.

After their triumph in the A. A .U., the bone-crushers from San Diego entered the Southern California Interscholastic tournament. This contest consisted of nine divisions, with the Hillers winning in six and placing second in the other three, for a total of 50 points. Their closest rival was Whittier with 34 points. The Hillers completed their season on May 1, downing the Sherman Indians in the local gym.

First row: Olsen, Ink, H. Mack, Peterson, Levy, Smith, Kirshbaum, Fox, Allen (Mgr.).
Second row: Coach Davies, Allred, Schwartz, L. Mack, McKellar, Parker, Evans, McCollins, Hom.

Tennis

SAN DIEGO'S TENNIS TEAM had a successful loop season this year, losing only one match. The lone defeat was before Alhambra, by a score of 6 to 5.

Before the opening of the Coast League, the Hillers played a two game series with Grossmont, beating them both times; and then twice against La Jolla, winning both matches again. The San Diegans made their Coast League debut by playing Santa Ana and defeating them to the tune of 6 to 5. After the Saints came the Alhambrans to whom the locals lost. The next match was not a Coast League affair, the local squad drubbing El Centro Junior College, 6 to 0.

The Hillers played the Hoover Red Birds next and won, although handicapped by the absence of two valuable players, the score being 8 to 3. Next came the two Long Beach teams, whom the Hillers added to their list of victims, beating Woodrow Wilson, 11 to 0, and Poly, 10 to 1.

The Cavemen ended in second place in the Coast League behind the winners, Alhambra.

Swimming

WITH AN EYE TO THE FUTURE, the swimming squad completed the current season without any definite schedule, but hopes for bigger things in the future.

Coached by Henry Gunther, a Y. M. C. A. instructor who was approved by local officials, the natators have been developed, after several months of training and promiscuous meets, into a classy aggregation.

Prospects for a strong team next year are sanguine, since several of this spring's star performers were sophomores.

It is hoped that in the future, swimming will become a scheduled Coast League sport.

Golf

San Diego's divot-diggers finished the season with a defeat at the hands of Long Beach Poly and triumphs over Woodrow Wilson and Santa Ana. Golf, in contrast to swimming, is a scheduled Coast loop sport.

Outstanding as an individual performer for the local team was Guy Showley. In the Poly dual meet, Guy was credited with a 73. A non-league contest with Point Loma saw the young Hiller card a sparkling, sub-par 71.

Girls' Athletic Association

GIRLS' ATHLETIC ASSOCIATION activities of this semester were successfully guided under the leadership of President Jane Minshall and Sponsor Miss Miriam Paine.

This organization, the purpose of which is to further an interest in athletics and foster a spirit of genuine co-operation and good sportsmanship, is composed of girls who have earned at least one hundred points in major after-school sports such as field hockey, volleyball, basketball, track, indoor baseball, and speedball.

The activities of the fall semester included such events as pot luck suppers, a volleyball spread with the Hoover G. A. A. as guests, also a return spread with La Jolla, a hockey game with State College, and a Christmas Party. All these were managed by Virginia Muns, president; Mary McOsker, vice-president; Emily Colman, secretary; and Maxine McCarl, treasurer.

This semester also the social functions began with a pot luck supper. Next was the Skating Party which was not only an enjoyable evening for the members, but also a financial success. This was followed shortly by the semi-annual Faculty Tea. Then on April 17, which was an ideal morning for such an event, the G. A. A. sponsored its first breakfast hike. The basketball spread, living up to tradition, was a lively affair. The splash party also added another enjoyable evening. Held at the Zlac Club, the annual spring banquet and the junior and senior hockey party ended the season.

In addition to the social events, the G. A. A. has participated in several playdays—one which was held at Long Beach where thirteen of the larger high schools of Southern California were represented, then the County playday, for which Hoover acted as hostess, and the annual one at State College.

The officers this semester were: Jane Minshall, president; Phyllis Maupin, vice-president; Norma Belle Lund, secretary; and Mari Taniguchi, treasurer.

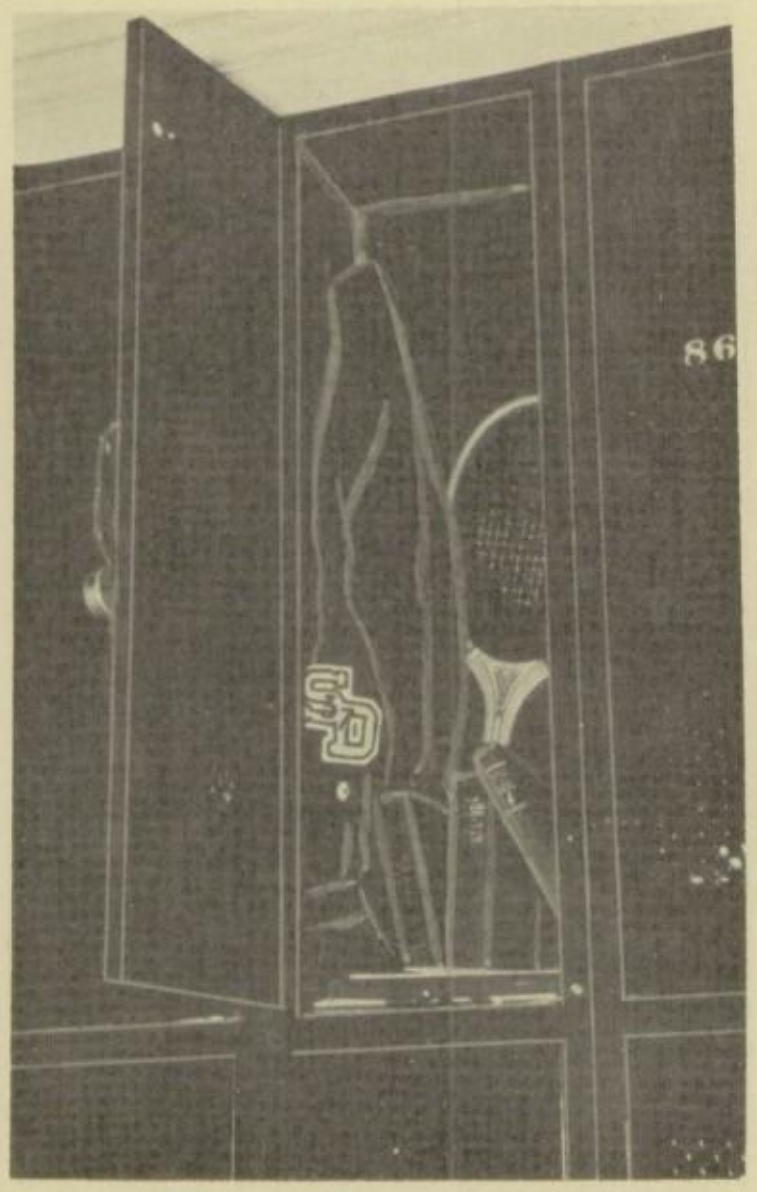
Student Life

A simple picture often illustrates what it takes paragraphs to describe. This section is an endeavor to present student life in a comprehensible form—pictures.



Squatted in the roads along the waterfront, fishermen, dressed in their soiled, work clothes, may be seen busily mending and stretching their nets. Arranged in long masses, the nets sometimes extend for several hundred feet.
